

# Join Computational Group: MS/Ph.D Vacancies

Theoretical Chemistry group at the Department of Chemistry, COMSATS University Islamabad, Lahore focuses on theoretical design and applications of materials in the field of optics and opto-electronics. We are looking for ambitious and enthusiastic MS/PhD students to work on a project worth of 6.922 million PKR funded by Higher Education Commission, Pakistan.

Position	Number of positions	Monthly Stipend	Eligibility Criteria	Desirable
MS studentship	01	20,000 PKR/Month	BS in Chemistry or Equivalent	Experience in computational chemistry
PhD studentship	01	25,000 PKR/Month	MS in Chemistry or equivalent	Experience in computational chemistry

Candidates should have a strong background knowledge and theoretical skills. We prefer candidates with a good team spirit, and communication skills. A prior knowledge/working experience with Gaussian or any relevant software is desirable. The scholarship holders will also receive a 'Research Associate' contract as this is a full time research position. The last date to apply is 21 April, 2021. The RA positions are for one year maximum.

Drop your CV & motivation statement at [mazhargilani@cuilahore.edu.pk](mailto:mazhargilani@cuilahore.edu.pk)

---

**Only short listed candidates will be called for interview.**

Dr. Mazhar Amjad Gilani

Associate Professor

Head, Department of Chemistry
