“What is money probably not what you think it is” on May 07, 2012 .

“ SYNTACTIC
SUGAR CAUSES
CANCER OF THE
SEMI COLON.”

IT News

“International Telecom Union Yung Innovator Competition 2012” was going to be held from October 14th – 18th , 2012. The program offers twelve(12) winners from the world to be part of ITU Telecom world Dubai. It provides a chance to win prize money up to 10,000 swiss francs.

On-line Training Workshop on “Publishing Your Research” was organized through webinar by **Institute of Research Promotion** on June 02, 2012. It was a purpose-built training program for the researchers who want to increase their academic rank. This workshop helps researchers to aim publication at the phase of research design, produce publications from general research assignments and manage their research for publishing in middle to high ranked journals. The workshop had a beautiful combination of real life examples, capacity-building exercises and tips to speed up publishing rate. The resource persons of workshop tried to link academic publishing with career goals of researchers and faculty members.

Agent Technologies and Information Systems Research Group

Dr. Muhammad Umair announced a research group on 28th June 2012 named, "**Agent Technologies and Information Systems**" (ATIS) with an aim to promote research and development in the said domain.

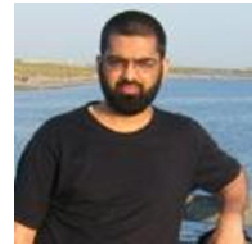

The potential areas of research are:

- Ambient Intelligence
- Multi-agent Systems
- Human and Agent Modeling
- Ubiquitous and Pervasive Computing
- Business Process Management
- Enterprise Modeling (Process Modeling, Database Modeling)

The Group Members are:

Group leader: Dr. Muhammad Umair

Members: Dr Muhammad Adnan Hashmi & Mr. M Khurram Shahzad

Events

- The Department of Computer Science arranged a dinner to welcome faculty members who resumed duty after availing Ex-Pakistan leave and newly joined the department on May 11, 2012.
- A mango party was arranged inside the CS department by on Monday, July 2012. All the faculty members enjoyed it as a part of leisure.
