

International Conference on Relativistic Astrophysics and Cosmology (ICRAC-24)

01-02 February 2024, Lahore, Pakistan

The Department of Mathematics at COMSATS University Islamabad (CUI), Lahore Campus was established in 2005 and has emerged as one of the most versatile and well-established departments for graduate and undergraduate studies in Pakistan. The Department is offering BS, MS, and PhD in Mathematics under the services of 33 young and energetic PhD faculty Members. We are pleased to announce that the Department of Mathematics at CUI, Lahore Campus is going to organize an International Conference on Relativistic Astrophysics and Cosmology (ICRAC-2024) to be held from February 01-02, 2024. This Conference aims to bring together renowned researchers, scientists, and young scholars to exchange ideas, present sophisticated research works, discuss hot topics in the field, and share their experiences on all aspects of Gravitation, Astrophysics, and Cosmology. The ICRAC-2024 will be a two-day event that gathers the key players of the Gravitation, Astrophysics, and Cosmology community and related sectors. This event is launched with the aim of becoming an established event, attracting global participants, intent on sharing, exchanging, and exploring new avenues of Gravitation, Astrophysics, and Cosmology-related scientific and associated developments.
