

8th International Meeting on Particles and Fields

April 20-22, 2016

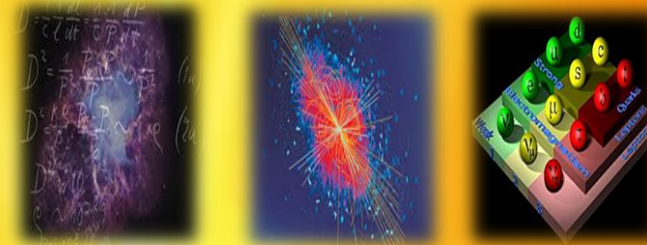

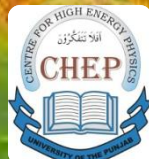

Comsats institute of information Technology,
Lahore, Pakistan

The city of Lahore is known to be the cultural capital of Pakistan and is full of tourist attractions. The city has known ages of cultural, intellectual, musical, literary and humanistic evolution, which has consequently led to the fermentation and over fermentation of this rich brew we call Lahore.

Sponsors

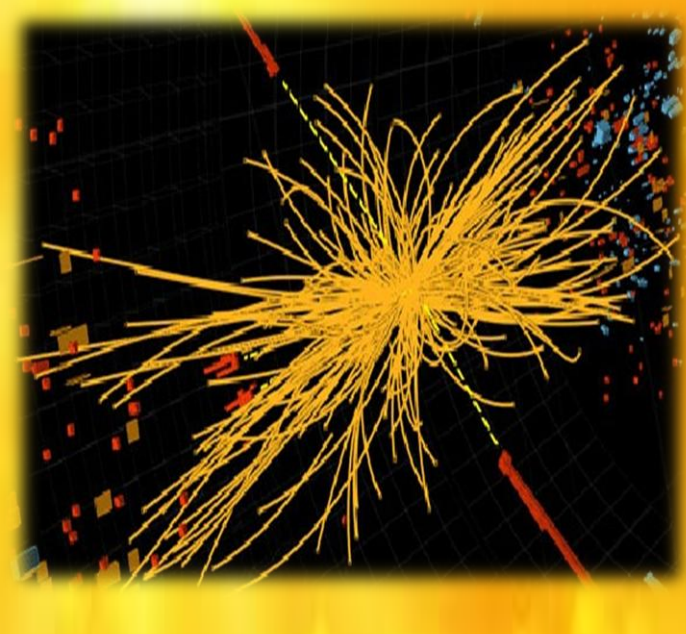

The conference is being thankfully organized as a result of sponsorships by Comsats, HEC, NTS, CHEP (PU) and PHEC.

International Meetings on Particles and Fields in Pakistan is an attempt to help scientists in particle physics to discuss recent issues and frontiers of field. Till now seven such meetings have successfully organized in Pakistan. For further detail visit
