

Workshop: Publishing your Research

January 20, 2010

Executive Summary

A one day workshop “Publishing your Research” was jointly organized by the Department of Management Sciences, COMSATS. Lahore and Institute of Research Promotion held on 20th January, 2010 in Seminar room C Block. The key speaker of the workshop was Prof. Dr. Khalid Mehmood from the Department of Library and Information Science, University of the Punjab. The agenda of the workshop included the following topics

Contents

- Writing for publishing
- Finding publishing avenues
- Review process
- Publishing process from thesis to journal articles and from thesis to book
- Online publishing
- Self publishing Promoting your publications
- Ethical and legal issues

It is worth mentioning here that this workshop was one of its own kind as the speaker shared his own experiences.

It was attended by the representatives of 15 universities that included 36 participants from CIIT,

Lahore and 65 from other universities. Moreover, it was arranged for the first time in Pakistan in relevance to its topic
