Subject: **Mode of Voting for Elections of University Teachers – 2026**

In keeping with the principles of participatory decision-making and institutional consultation, the Rector, COMSATS University Islamabad (CUI), desired that the preference of University Teachers regarding the mode of voting for the Elections of University Teachers – 2026 be ascertained through a system-wide survey.

Accordingly, faculty members across the CUI System were invited to indicate their preference between Physical Balloting and Email Voting through a secure third-party platform.
