## INFORMATION TECHNOLOGY SERVICES

We welcome you to COMSATS University for a bright future ahead. Over a due course of time, you would experience different IT Services offered to you by **Information Technology and Services (ITS)** at COMSATS University (CUI), Lahore campus. These IT Services would play a pivotal role to your learning curve and growth.

It is imperative that you utilize these resources in the most beneficent and productive manner. We provide you with the best IT services using **CUOnline Credential** for authentication. Our CUOnline Student portal facilitates the students to better keep a track of their academic progress while providing access to excellent digital academic resources. A glimpse of the Student Portal is given below

Enter the URL <https://cuonline.cuilahore.edu.pk:8091/> in your Browser to access the student portal login page. Enter the username and password of your account to Login. Once you are logged in, you will be shown your Dashboard. The dashboard will display you registered courses, corresponding teachers, class, and attendance summary.

| Course No | Course Name                           | Credits | Teacher                      | Class                            | Attendance Summary |
|-----------|---------------------------------------|---------|------------------------------|----------------------------------|--------------------|
| MTH104    | Calculus and Analytic Geometry        | 3       | Visiting Math Sumaira Hafeez | BSE 1 SP-20 Regular Semester 1 A | 100%               |

## Account Security Precautions

To ensure the security of your account, please follow to the following guidelines:

- **Do Not Share Credentials:** Sharing your login credentials with others, including friends, is strictly prohibited. Unauthorized access may lead to account suspension due to suspicious activity.
- **Password Update:** Promptly change your password if you suspect any unauthorized access. You can update your password at any computer lab or via the secure online portal at <https://secure.cuilahore.edu.pk/>
- **Password Requirements:** Your password must be at least eight (8) characters long and include a combination of:
  - Uppercase letters
  - Lowercase letters
  - Numbers
  - Special characters

By following these precautions, you help maintain the security and integrity of your account.

**Note: Remember that Sharing of password PIN and login information with non-relevant person(s) is a crime that may lead to punishment.**
