

PEC Visit Report

This is to inform you that Visitation Team from Pakistan Engineering Council (PEC), Islamabad visited the Department of Electrical and Computer Engineering (ECE), COMSATS University Islamabad, Lahore Campus on June 28-29, 2021 for the accreditation of Bachelor of Science in Electrical Engineering and reaccreditation of Bachelor of Science in Electronics Engineering programs as per 2019 Outcome Based Education (OBE), Washington Accord Manual.

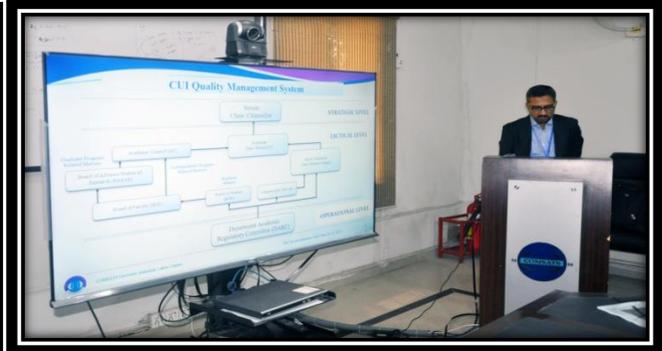

The team headed by the Convener Prof. Dr Qamar ul Islam, IST Islamabad along with PEVs was received and welcomed by Prof. Dr Ahmad Farooqui, Head (A&R), Prof. Dr. Laiq Khan, Chairperson (ECE), Dr Ejaz A. Ansari, Head, (ECE) and senior faculty members of ECE Department.

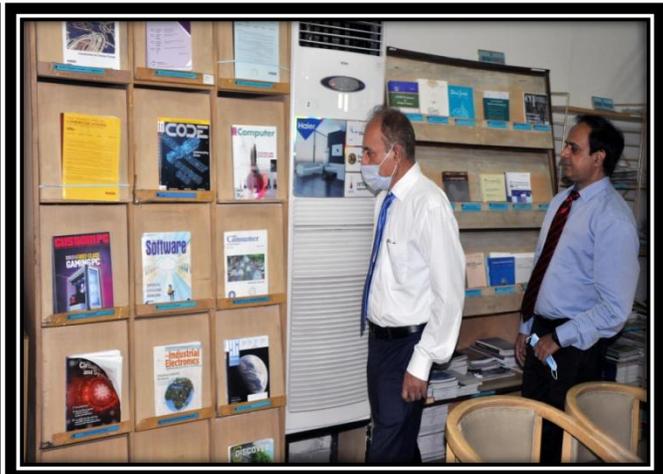

Presentations on the Program overview under accreditation by Director, Head of Department and Program Incharge were given to PEC team of the following;

- Program Educational Objectives (PEOs), Participation of Stakeholders, design & implementation mechanism
- Overview on Design, Assessment and Evaluation process of PLOs attainment
- Overview of Curriculum design, Breadth & Depth, Course delivery, CLOs assessment & evaluation methods, Revision/CQI Satisfying National Qualification Framework
- Academic performance of students, participation in professional activities and their achievements
- Faculty strength & development, R&D activities • CQI and Industrial Linkage / Internship Program etc.

The team visited the academic infrastructure of CUI, Lahore Campus including lecture theaters, laboratories, Faculty offices, Conference Rooms, library, Examination branch along with other allied facilities. They also visited the student facilitation center, cafeteria, hostels, and gymnasium.

Moreover, they interacted with Prof. Dr Asad Hussain, Director CUI, Lahore, Faculty, staff and the graduating engineering students.

There was an interactive session over lunch with alumni and employers. They showed satisfaction over the quality of the Electrical Engineering skills acquired by the COMSIANS. They also shared their valuable feedback regarding the betterment of the department. Finally, the visit ended with a vote of thanks by the worthy director of the campus, followed by the distribution of souvenirs among the visitation team. The Convener along with PEVs liked the facilities of purpose built campus CUI, Lahore for the students and showed their satisfaction over the conduction of OBE to the engineering students of the two undergraduate programs.
