## Thank You

We will be able to make this a successful platform only through the support of our sponsors. It is only through your partnership that we can work for the propagation of science as well as the industrial concerns for the overall benefits of the living humanity in general. We assure to be as flexible as we can with respect to the sponsors package to best cater your interests.

We welcome any other suggestions from your side which can make the event a success. Please feel free to contact us through any of the following means.
