

Research Output by Faculty Members Of CIIT Lahore

IN YEAR 2004–2007

CIIT Lahore started its journey in 2002 with limited resources. But in short time the CIIT got a very good repute in the community regarding quality education and research. The faculty of CIIT Lahore not only providing good education to students but also producing the peer reviews research articles in national and international journals.

The Library Information services, CIIT Lahore decided to compile the research work done by the faculty members during the year 2004 - 2007. This was a difficult task to collect the papers published in previous years but library staff done this job with the help of CIIT Islamabad Library.

Preface:

The Higher Education Commission has declared CIIT on number Six best university of the country, due to research publications. No doubt, the research development and publications are the hallmark of any institute. The research publications of CIIT are growing very rapidly in terms of quality.

Since its start, the faculty Members of CIIT Lahore not only started to provide quality educations but also started to produce the quality research in various fields. These research published in national and international peer reviewed journals. The compilations in your hands, consist on those papers which were published in 2004, 2005, 2006, and 2007 from CIIT Lahore plat from. Only journal and conference papers were selected for this compilation.

For this compilation, the source of research papers is the compilation of CIIT Islamabad for the year 2004-2007. I would also like to appreciate the efforts of Ms Raiqa Pervaiz, Library Assistant to compile this publication in appropriate mode.

Last but not least, the Convener Library Affairs, Dr. Talat Afza, she not only gave the guide lines but also encouraged me for this compilation. She was the main motivator of these articles collection.
