Annual Stock Taking

CIIT Lahore Library has done annual stock taking from July 20-29, 2016. The library used latest tools to done the task within short time with the help of bar code reader. The assignment not only done within short span of time but also have done without any error.

Now circulation is open for all library users.

Afghan Student Orientation

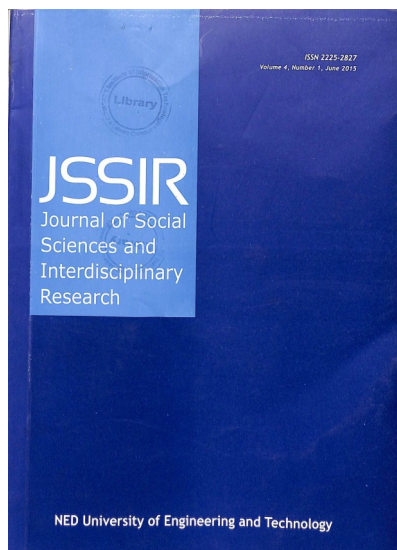

More than 200 students from Afghanistan has enrolled in zero semester in CIIT Lahore. The Afghan students will stay in CIIT Lahore for one semester as “Summer Camp Students”. These students will be involved in different activities like academics, training and sports. Library staff Congratulated to newly admitted Afghan students. The library orientation for Afghan students was held on June 3, 2016. Ms. Nasira Muneer, Acting Library Incharge, briefed to the new library users about library rules, membership, resources and services.

Books for Afghan Students

Library Information Services distributed books to Afghan students for zero semester, free of cost. The motive behind initiative is to facilitate the Afghan students who connect the CIIT-Lahore and bear the burden of books as per their needs. Library also have plan to launch information literacy programs for Afghan students . In these literacy programs the students will be learnt about searching techniques, internet resources and different information databases.
