## Preface:

CIIT Lahore library is a hub of knowledge and fulfill information and knowledge needs of faculty, students and staff and for the purpose, library continue acquiring information resources like books, journal/magazines, thesis, company reports, newspapers, and audio/visual material for research and reference purpose for its valued users. The Library's mission is to provide comprehensive resources and services in support of the research, teaching and learning needs of the CIIT community.

The targets can be achieved only if the collection development of library resources will made in balance and appropriate design. If library have reasonable resources in all disciplines than the library users can get maximum benefits through these resources.

Through this report, authorities, academicians and library users can know the progress of collection development and in previous years and even in different disciplines. This report will also guide the library professionals to give the right direction to their acquisition policy.

The reader of this report can observed the good pace of collection development of library resources during the period. This is all due to visionary leadership of **Dr. Mahmood Ahmad Bodla, Director CIIT Lahore**. He has strong affiliation of books because he is not only a very good administrator but also a writer of many books and articles. He gave free hand to the library to collect and acquire any material required by library users.

I am very much thankful to **Prof. Dr. Talat Afza, Ex-Convener, Library Affairs Committee** for her guidance, support and encouragement to library. She is always there when we need any guidance from her. Our current library resources and services is the reflection of her support and encouragement. I am also thankful to **Dr. Robina Farooq, Convener Librray Affairs Committee** for her interest and encouragement to promote library resources and services.

For this report, I am really thankful Ms. Nasira Munir who did this job with dedication and enthusiasm. She is not doubt a good library professional.

## **Introduction**

The CIIT Lahore Library was established on March 2002 with limited furniture and three staff members. The library started its working in Block C then after one semester, it has been shifted in Block D and in 2003 the library got its almost permanent place in workshop # 1 (current location). The library started its working in two shifts (Morning & Evening) with more than hundred users.

In 2009, the library published its first report entitled “Collection Development Report: for the year 2002 to 2009”, which covers the acquisition of books and other library resources acquired by the library during the said period. Now library is proud to present the 2<sup>nd</sup> volume of said report which covers the collection development contents from 2009 to 2013. Library also included the subscription of journal/ magazines from 2002-2013, acquisition of audio/visuals material from 2006-2013, which were missed in volume 1. This report also covers the Thesis and final years report from 2006-2013 which submitted by CIIT students in the library.

For this collection development, library is very much thankful to our valued users particular faculty members and researchers who selected the books for the library and all Head of Departments, who recommended the library material and last but not least, Dr. Mahmood Ahmad Bodla, Director CIIT Lahore Campus, who not only give financial approvals to acquire the library material but also give encouragement to library staff for this collection development of CIIT Lahore Library.
