Director's Visit CUI Lahore Library

Director Dr. Muhammad Yar (CUI Lahore) visited the Main Library on April 2, 2026, along with departmental libraries, accompanied by Dr. Muhammad Tariq, Incharge Library.

During the visit, Dr. Tariq provided a comprehensive briefing on library resources, services, and various sections of the Main Library. The Director also toured different sections to review facilities and ongoing services.

At the departmental level, briefings were presented by:

- Ms. Nasira Munir (A&D Library)
- Mr. Naveed Siddique (MS Library)
- Mr. Atiq ur Rehman (Pharmacy Library)

The visit concluded with a meeting with the library staff, where Director Dr. Muhammad Yar appreciated their dedication, professionalism, and commitment to delivering quality library services.

University of Education Visit the Library CUI Lahore

A group of students from the University of Education visited the Library Information Services (LIS), CUI Lahore on 23 April 2026. The visit aimed to consult a variety of books and research materials available in the university library for their academic assignments.

During their visit, the students explored diverse academic resources and gained valuable insights to support their research work. Dr. Muhammad Tariq, Incharge Library, also briefed the students about the library resources and services and guided them in their research work.

The visit proved to be a productive learning experience, promoting effective use of library

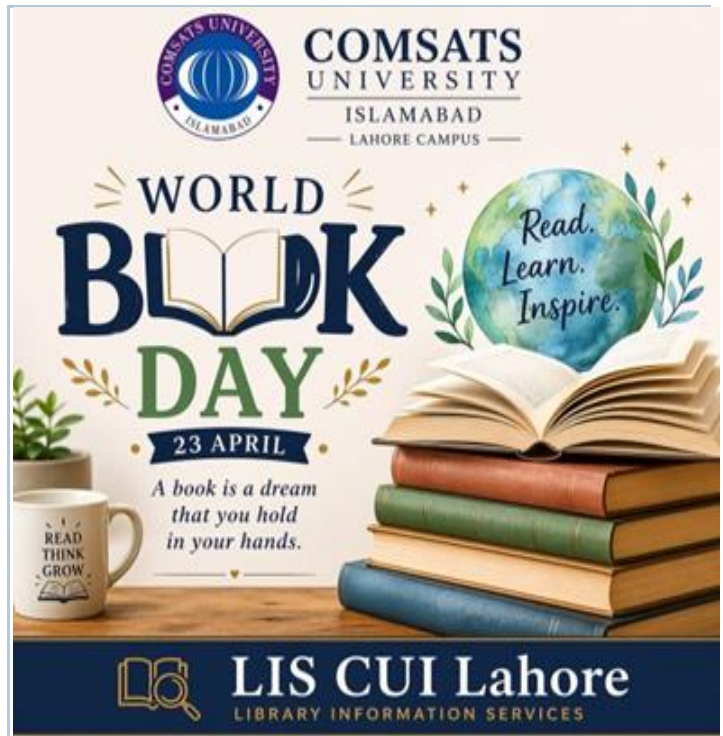

WORLD BOOK DAY

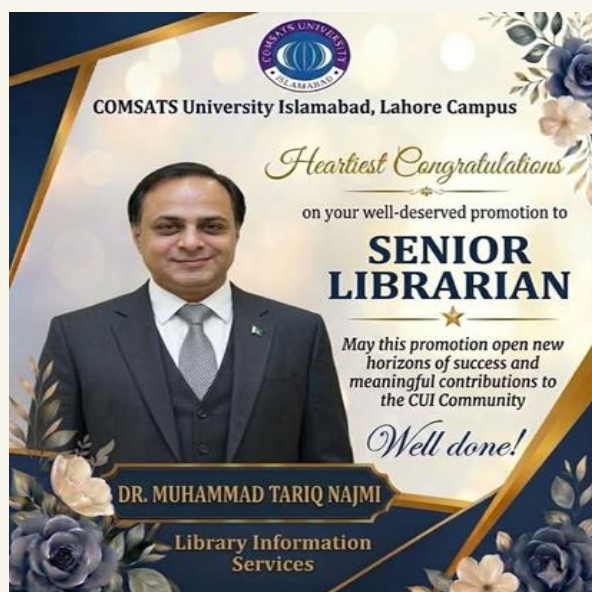

Books are more than pages they are pathways to imagination, wisdom, and transformation. On this World Book Day, we celebrate the joy of reading and the lifelong habit of learning it inspires.

At LIS CUI Lahore, we believe every book a student reads builds not just knowledge, but character, creativity, and confidence. From classic literature to modern ideas, reading opens doors to endless possibilities and shapes future leaders.

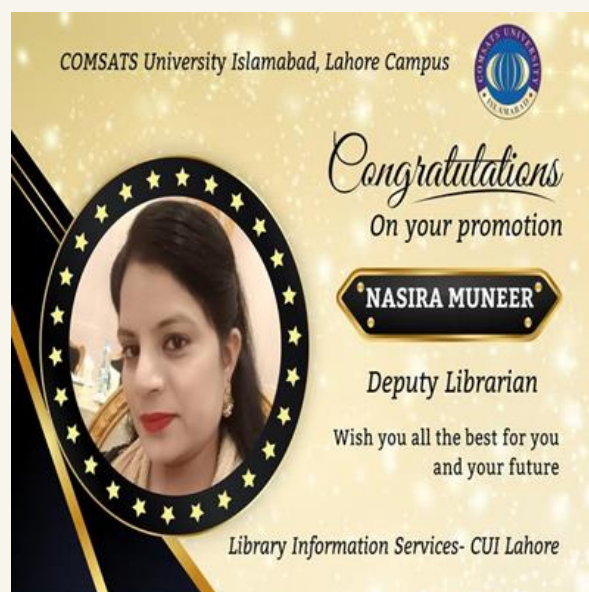

Let's encourage our students to read, reflect, and rise through the power of knowledge and books because every great mind begins with a great book.

Promotions of Library Staff

Dr. Muhammad Tariq Najmi

Nasira Muneer

LIBRARY NEWS

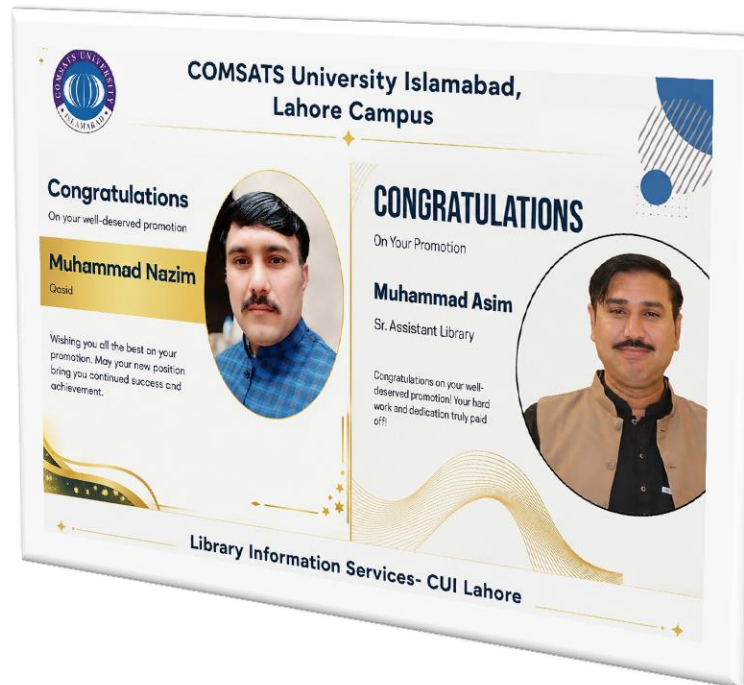

Huge congratulations to Dr. Muhammad Tariq Najmi on his well-deserved promotion to Senior Librarian in the Library Information Services at COMSATS University Islamabad, Lahore Campus.

His dedication to Library Information Services and the entire CUI community is truly inspiring.

May this new chapter bring him even greater success, growth, and countless opportunities to make a difference

Warm congratulations to Ms. Nasira Muneer on your promotion as Deputy Librarian. Your commitment and sincere efforts have earned this achievement. Wishing you a successful journey and continued excellence in your new role.

Warmest congratulations and best wishes from Library Information Services!

Congratulations on Your Well-Deserved Promotions

Heartfelt congratulations to **Muhammad Nazim, and Muhammad Asim** on their well-deserved promotions!

Your dedication, sincere efforts, and commitment to excellence are truly commendable. We wish you continued success and fulfillment in your new roles. May this achievement mark the beginning of many more milestones and accomplishments throughout your professional journey.

Warmest congratulations and best wishes for continued success!

CUI Life Skills Training Program

AI Around Us & Effective Use of ChatGPT

Director Dr. Muhammad Yar (CUI Lahore) visited the Main Library on April 2, 2026, along with departmental libraries, accompanied by Dr. Muhammad Tariq, Incharge Library.

Following the vision of the CUI Life Skills Training Programs initiated by the Honorable Rector, Prof. Dr. Raheel Qamar, the CUI Lahore Campus successfully organized a specialized training session titled "AI Around Us and Effective Use of ChatGPT." This impactful workshop, held on Wednesday, May 06, 2026, from 08:30 AM to 11:30 AM at Lab-H within the Department of Computer Science, was led by Dr. Muhammad Tariq, Head of Library Information Services.

The session drew a diverse group of registered participants from various academic departments and administrative sections across the campus, fostering a multidisciplinary environment for digital growth. The training provided a comprehensive exploration of the modern technological landscape, beginning with an overview of how AI seamlessly integrates into our daily lives. Participants delved into the practical applications of ChatGPT, mastering the art of prompt engineering to enhance productivity and accuracy in their professional tasks. Crucially, the session emphasized that while technology is evolving rapidly, the human element remains irreplaceable; the discussion highlighted how human judgment, ethics, and creativity are more vital than ever in the AI era.

This training serves as a vital bridge between traditional academic workflows and the future of work. By equipping staff and faculty with advanced AI literacy, CUI ensures that its community remains competitive and technologically agile. Such initiatives are essential for transforming theoretical knowledge into practical skills, ultimately empowering individuals to leverage automation while maintaining the critical thinking skills that define human excellence.

The initiative received strong support from Prof. Dr. Muhammad Yar, Prof. Dr. Shariyeh Hosseini, and Prof. Dr. Kashif Ali, who remain committed to enhancing human resource development in line with the Rector's vision. A series of additional life skills training sessions on diverse topics is already scheduled and will be conducted in the near future. Special appreciation was extended to Mr. Arif Afridi for his dedicated coordination and excellent management of all training arrangements.
