Library News

CULTURAL FEST 2024

Several important festivals and events were organized by students during the student week 2024.

Danish Society of Library Information Services organized a grand event entitled “Cultural Fest 2024” on October 09, 2024. The main objective of this event was to give awareness about different cultures of Pakistan. A huge number of audiences (Students and families) attended the event and it wouldn't be wrong if we say it was one of the most successful events of the ongoing student week.

The event includes:

- Cultural Dress Walk.
- Cultural / Folk Dances.
- Cultural Songs
- Musical Performances

Overall, it was a big success in the account of library and Danish society of COMSATS Lahore.

Collaboration between library and society was good. If we promote such peaceful events, our country can leave extremism and terrorism far behind us.

Prof Dr. Srafraz Ahmad was the chief guest of the cultural night. He appreciated the efforts of Danish society and congratulates the library staff on a successful event of student week.

Sports Week @ CUI Lahore Library

Library Information Services CUI-Lahore organized in-house games/ activities during the student week 2024. The library organized different events including Cricket Match, Musical Chair, Bottle Flip, Target Point & Ludo competition. All library staff actively participated and tried to grab the higher position. After an interesting competition, the name of the position holders is as under. For the cricket match, there were two teams, leading by Dr. Muhammad Tariq and the other was Dr. Muhammad Ishtaiq sb. All library staff including female staff played the match. The team of Muhammad Ishtiaq sb has won the match.

Target Point Competition

- 1st Position Mr. Muhammad Tariq (Naib Qasid)
- 2nd Position Ms. Nasira Muneer (Assistant Librarian)

Musical Chair Competition

- 1st Position (Female) Ms. Raiqa Pervaiz (Assistant)
- 1st Position (Male) Mr. Muhammad Asim (Assistant)

Ludo Completion

- 1st Position Ms. Shazia Bait (Incharge Library)
- 2nd Position Mr. Muhammad Tariq (Naib Qasid)

At the end, the prize distribution was held and the prizes were given to all winners.

Birthday Celebrations

As per Library tradition, the library staff celebrated the birthday party of Mr. Jahanzaib Imtiaz, Mr. Israr Ahmad & Ms. Nasira Muneer. The entire library Staff participated and wished him a wonderful birthday. May this year be filled with adventures, blessings and lots of laughs.

What's New at the Library?

Program Highlight:

New Learning Workshops!

The CUI Library is committed to strengthening the research skills of our MS and PhD students and has planned a series of training sessions in the following areas:

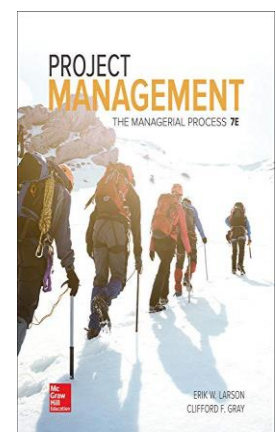

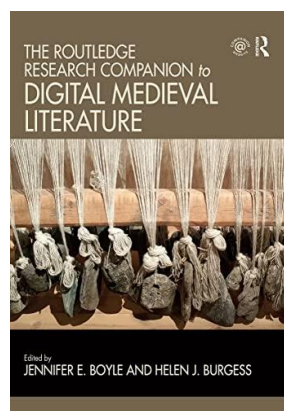

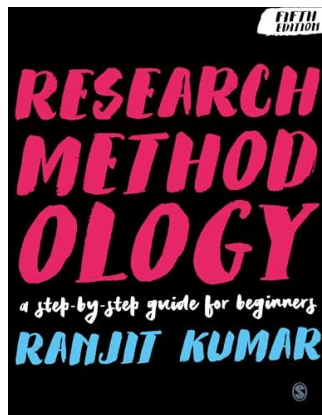

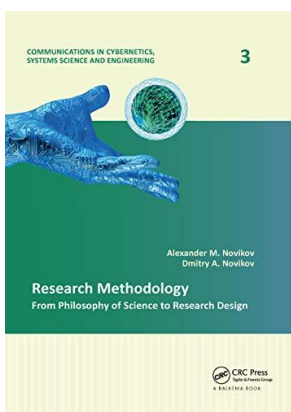

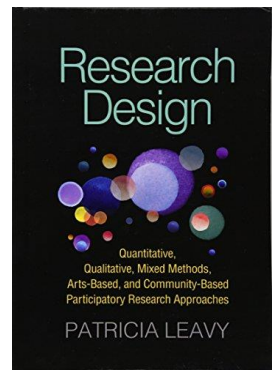

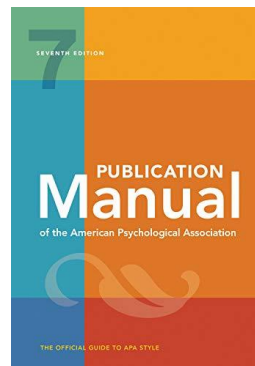

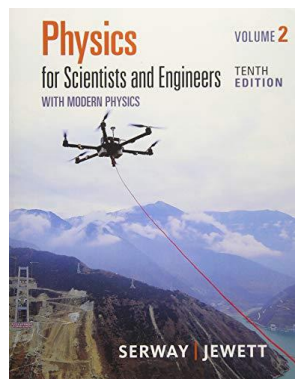

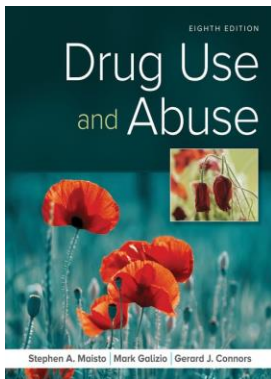

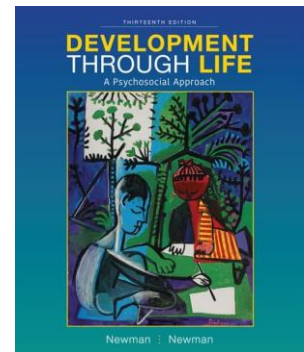

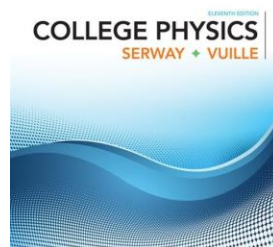

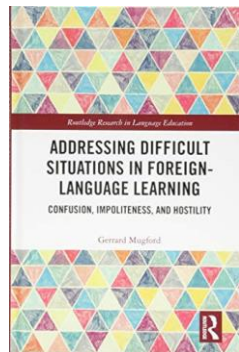

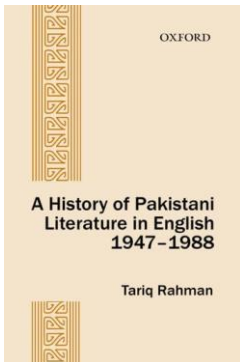

1. **Searching Techniques:** Library Resources and Services
2. **How to Cite Your References:** Use of *EndNote* Software
3. **How to Avoid Plagiarism:** Use of *Turnitin* Software
4. **How to Format Your Document:** Use of the *APA* Manual

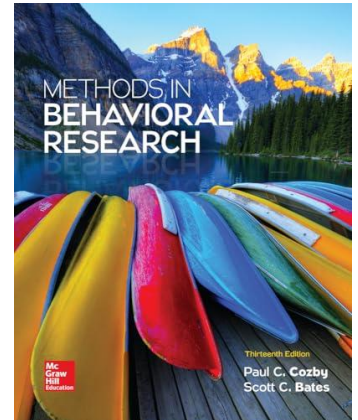

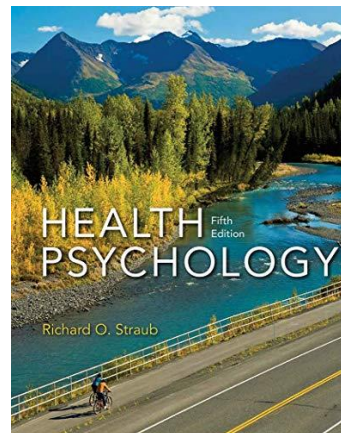

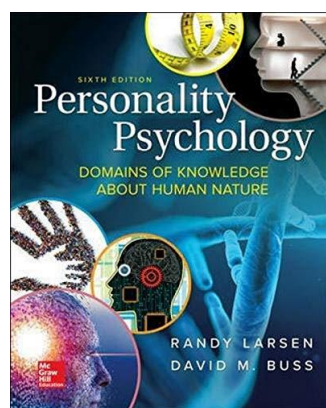

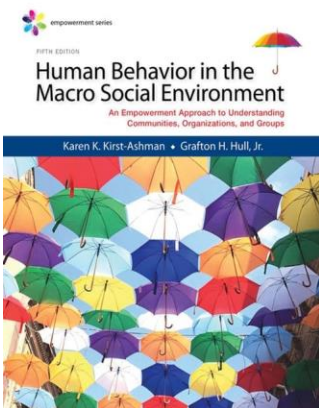

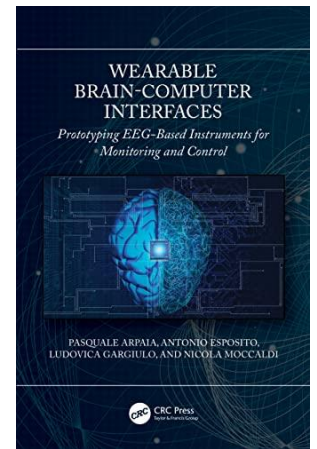

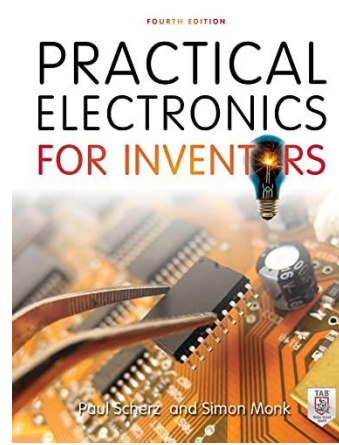

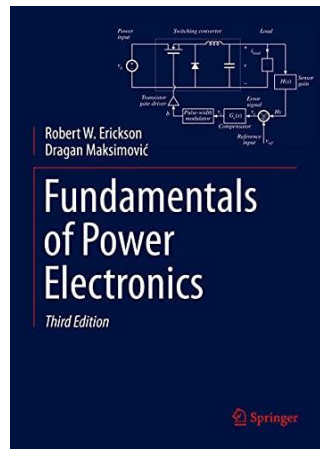

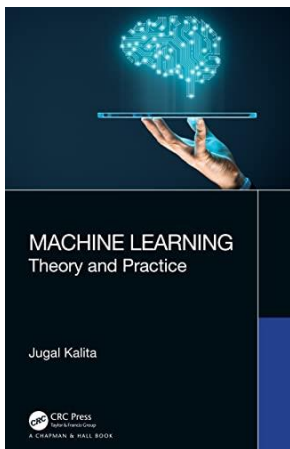

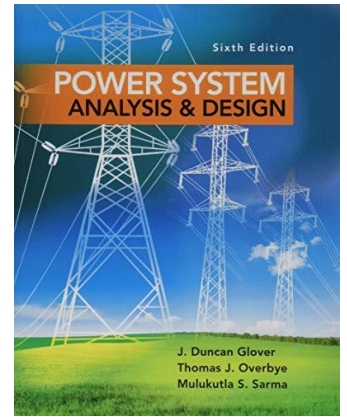

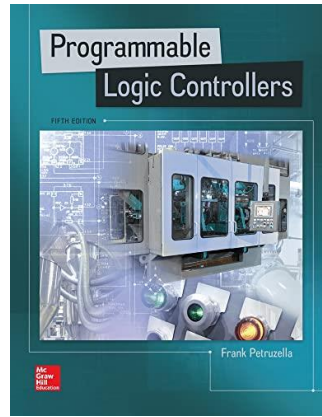

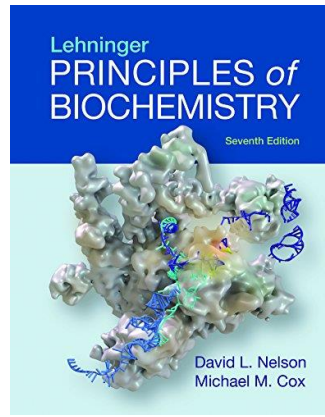

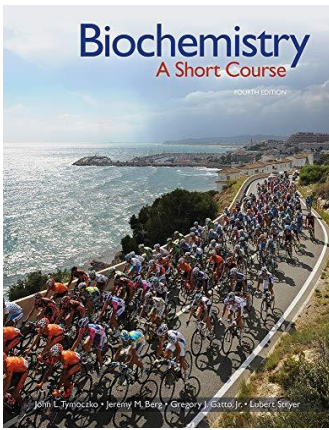

In addition to the above topics, we are open to including any other areas based on the specific needs of the students. We are fully equipped to arrange all types of training to support our research students.

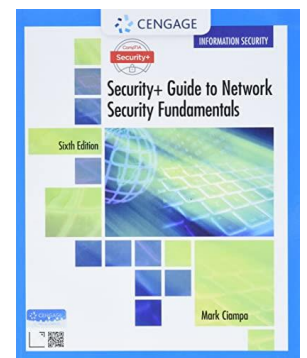

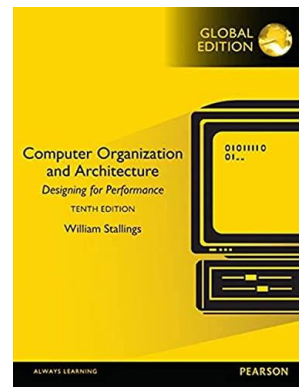

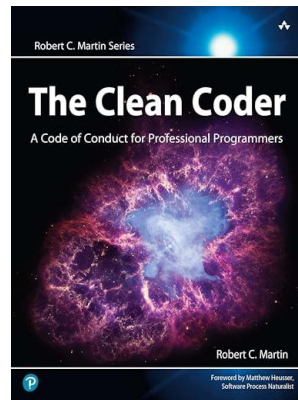

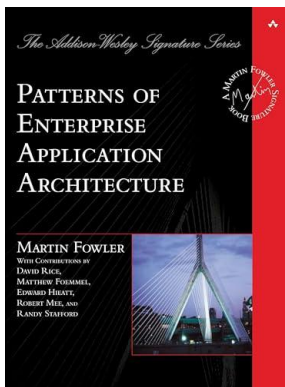

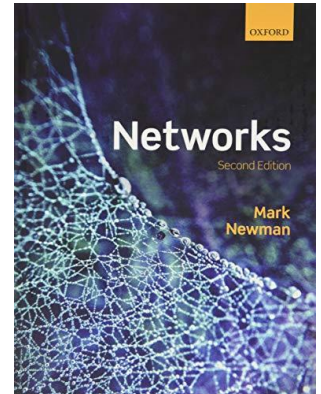

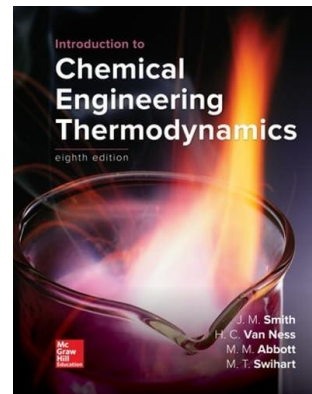

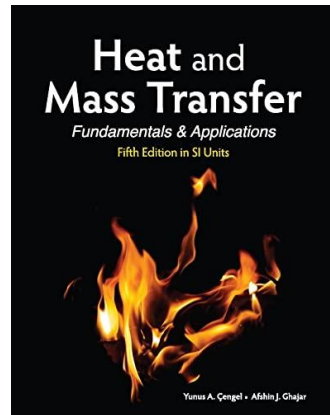

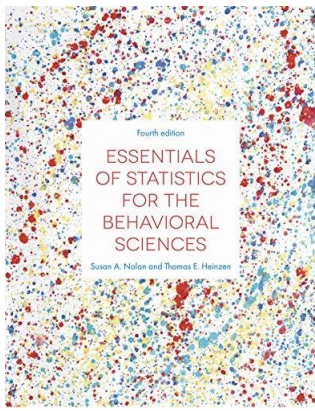

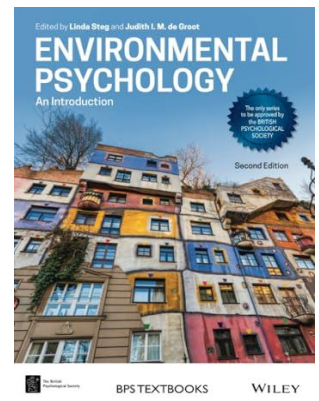

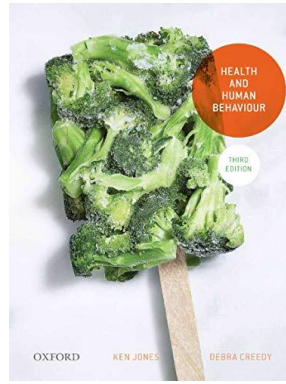

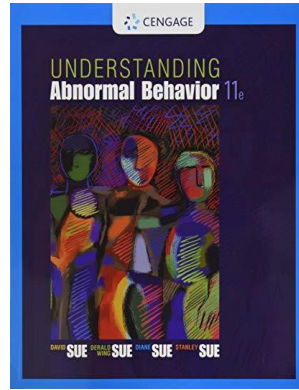

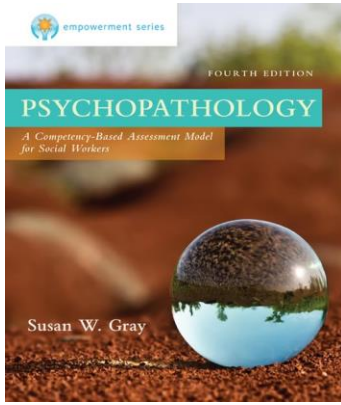

Please find below the proposed schedule for your kind consideration and necessary action. If you agree, kindly nominate a representative to help implement the proposal. The timing and venue can be arranged at your convenience.

➤ Table of Contents

REGULARS

- CORTISOL BELLY:** We know that constant and continual stress can be bad for us, but new research is linking it to weight gain, particularly around our bellies. We take a deep dive into the mechanisms at play and suggest some simple tweaks to help you calm (and potentially slim) down. 06
- FEEDBACK:** Your opinions on the articles in BBC Science Focus 12
- WARP SPEED AHEAD:** Could faster-than-light travel ever be possible? We'll need to better understand quantum behavior and solve some tricky math's problems before a holiday on Rise is on the cards. 15
- NAZCA MYSTERY:** Scientists are using artificial intelligence to solve the mystery behind the enormous illustrations and markings left by the Nazca people more than 2,000 years ago. 26
- 2024 IN SCIENCE:** From the development of new vaccines to hitting climate tipping points, there were as many reasons to celebrate as there were to commiserate this year. But what about the stories that tickled, shocked and completely flummoxed us? Here are our favorites from the last 12 months 28
- THE DARK SIDE OF THE MOON:** New research has discovered that volcanoes erupted on the dark side of the Moon far more recently – and for much longer – than we previously thought. 30
- FALSE MEMORIES:** The science behind the headlines: Should we all be getting a lymphatic draining message? How is the rapidly melting doomsday glacier putting cities at risk? 32
- INNOVATIONS:** Human recollections are malleable. Does that make us vulnerable to false memories?
- THE BIG QUESTION:** Can creating really help my body and my brain? 76

Q&A: Our experts answer your questions. This month is the Moon shrinking? Why do cats wiggle before they pounce? Why is the pink lake in Australia pink? And more 80

CROSSWORD: Engage your grey matter! 89

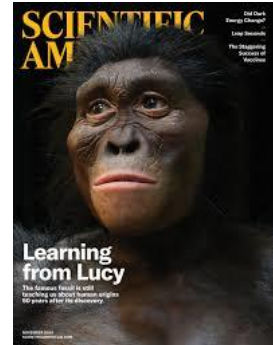

NEXT MONTH: A sneak peek at the upcoming issue 89

BETTER LIVING THROUGH SCIENCE: Worried about jetting off on your holidays? Let science help you get over your fear of flying 90
