

Hiring / Interview drive - Vivo Pakistan

COMSATS Institute of Information Technology Lahore hosted a hiring drive of VIVO Pakistan on 7th December 2017 for its fresh graduates. VIVO is a global company which started its operations in Pakistan in 2017. They have wide range of market in China, India and South East Asia and is the 5th largest smart phone brand in the world.

Interviews were conducted for the post of Management Trainee officers (MTO). Around 70 graduates from the departments of Management Sciences and Electrical Engineering registered for the drive. Mr. Syed Shah Mohammad, Director Human Resources and Ms. Maleeha Khawar Human Resource Officer from VIVO Pakistan conducted the interview.

The applicants participated with great zeal and enthusiasm. VIVO Officials highly admired the graduates and appreciated the quality of education being given at CIIT. VIVO Pakistan has shown keen interest in conducting the second round of hiring drive in June 2018.
